

Library Board Meeting - Thursday August 15, 2024

Present: Emma Basham (trustee), Rebekah Bakos (trustee), Finnie Trimpie (trustee), Shana Hickman (librarian), and Will Godfrey

Minutes taken by Finnie Trimpie

6:15pm - minutes approved

Anonymous Grant is there -

Financials - 1 month into our fiscal year

No donations or fundraising to record yet

FY24 and 25 are going to look different because of where things are recorded in the financials

*the 5th column over should say 2025

When the investments get fixed do we need to keep such a high balance in the bank account?

Is it better to be invested?

Librarian's report:

Stats were good - July checkouts were low, but more library visits

59 summer reading packets were handed out - up from 48 last year

Adopt a stuffy day had 12, with a nice donation of goods and cash to the Upper Valley Humane Society - Shana has made that delivery

The story-telling event made the front page of the Herold: September 26th event - also conflicts with the school board meeting. Emma is going to reach out to Will to see if they have any room to move their meeting (Shana scheduled this on July 1st - unsure when it was posted to the public - its been going out on the listserve for the past few weeks)

We need: a stool, microphone with stand and speaker (7 stars to provide?), collection basket (Emma), buckets (Emma), plates, glasses, water dispenser (Finnie)

We need somebody to do the timekeeping (not Shana) - Possibly Emma? Finnie is away

Samara will facilitate, bring food, and organize the folks interested in story telling. We need to help spread the word and disperse flyers - Shana will send a digital copy and we can share around, print and post too!

If anyone would like to make a small food donation that would be appreciated!

Grants - Shana still has about \$85 to spend by October 2024?

Noncompetitive grant application has been submitted to cover courier expense

Holiday craft fair and makers market - November 23rd, 9-2 - how do we want to be involved. Do we want to have Joe Willis read as Santa at the event? - Shana will follow up with Joe

*double down on the November event and seek small businesses for baked good donations

Cookie walk - Emma is questioning the cookie walk - do we want to do a cookie SWAP instead?

*can we solicit cookie donation/interest at this to plan for the cookie walk/swap? - or just do the cookie swap the same day

Everything Apple event - set a date? Or merge with other bake events? - skipping everything apple

What if we merge everything - library bake sale at the holiday craft event?

Seeking donations for the November 23rd date
